

CHS PTSA Scholarship Award Essay Theme:

“Leading Through Service”

Introduction

The CHS PTSA is offering the opportunity for senior students who are PTSA members to win a \$1,000 scholarship by telling us how they contributed to make the Chantilly High School community a better place.

Over the years, many students have given numerous hours to Chantilly HS through a variety of school activities, social and academic clubs, and informal initiatives. Student involvement in school activities contribute to CHS being a positive, vibrant community.

Please include specific details and examples, such as which activity (or activities) you participated in; how your involvement led to positive outcomes; what you learned from the experience; or any other relevant information that best conveys your experience.
